## Provision and Charges Sept 2022 to July 2023

### Instrumental/vocal tuition and music teachers

Resonate Sounds whole class ensemble tuition 1 hour £1680 per year for 35 weeks delivery

Instrumental delivery 1 hour £1344 per year for 35 weeks delivery

KS1/2 Qualified music teacher full day £10640 per year 38 weeks delivery (half day rates available)

Resonate A Level Music £300 per student per year

All prices include the following:

- Professional Resonate Tutor with all relevant DBS checks and up to date safeguarding training
- Free loan of instruments
- Can be linked to Arts Awards and ABRSM exams
- Supporting your school delivering a broad and balanced curriculum

From September 2022 we will reduce the number of delivery weeks for all provision from 36 weeks to 35 weeks (not for Qualified Music teachers/curriculum provision). Many schools have fed back that they don't require music tuition in the first week or two of the autumn term and the last week before summer. It is hoped that reducing the number of weeks of delivery will limit the impact of increased costs keeping the overall charges to schools the same as this year.
