

Resonate's iSing 2023 is coming!

The Resonate iSing is back again in this special year for singing in Liverpool. As you will no doubt be aware, Liverpool is hosting Eurovision on behalf of Ukraine. So what better time to be celebrating singing in our city with your pupils?

The Music

for Liverpool

This year we have partnered with Sing Up to bring you some of the best song arrangements for young people available on their excellent platform. We also have a few special iSing treats along the way.

This year we will have two iSing events you can choose from:

Monday 19th June 2023 will be aimed at KS1 and KS2

Tuesday 20th June 2023 will be aimed at KS2 and KS3

Both days will have some of the same songs but there will be a few songs on each day especially chosen for the younger and older pupils respectively.

Cost:

For a maximum flat fee of £150 per school (there will be a small discount applied for schools who are already Sing Up members) you will receive:

- Places at the iSing event for as many pupils/staff as you wish to bring.
- Access to resources via both the Resonate Website and the iSing page on the Sing Up website. Here you will be able to access, performance tracks, echo tracks, backing tracks, interactive teaching resources and all lyrics and sheet music.
- Video tutorials for each song released on a weekly basis to support you in teaching the songs to your pupils.
- Places for teachers/support staff at the iTeach events.

The event days will start at 09:30 and end at 14:30 and involve a rehearsal in the morning to bring together all the hard work you have done preparing for the event. This is followed by the big celebration in the afternoon when we will be joined on stage by our live band.

If you want to book places for the iSing please click [here](#). You will need to have the authority to agree to your school being invoice in the financial year 2023/2024 for this event – and you will need to know numbers of pupils/adults attending to make this booking.

Once you have booked your places, we will send you confirmation of your booking together with the first introductory video tutorial.
